About us : **Multicure Pharma Private Limited (MCPPL)** is a pharmaceutical company based in Mumbai. Multicure has been established in 1982 with an aim of research, innovation, development, and marketing of various effective products dealing with infection control and preventing associated risks.

Multicure has core expertise in development, manufacturing and marketing of antiseptics and disinfectant products which would enable respective consumer line fight against infections and its adversaries. Our experienced production team is focused and passionate about quality and Innovation.

Multicure is good manufacturing practices (**GMP**) unit certified by Drug Control Department, Telangana.

At Multicure we constantly conduct research, innovate products that fits into ever changing disease domains with a common objective of delivering effective products at affordable rates. With dedicated marketing team having years of experience spread pan India. Our capability to reach markets with innovative products stands at minimal turn-around time makes us different from others.

Our manufacturing unit is at IDA Bhongir Hyderabad spread across 20,000 sq ft with highly experienced technical team. It features automated machinery with in-house fully fledged Analytical, Instrumental and Microbiology laboratory. We have capability to manufacture multiple products across dedicated production lines with a cumulative capacity of 50 million units per annum. Our production lines are system driven that reflects our commitment towards manufacturing products in most technically competent and hygiene environments.

Vision: To become global brand of disinfectants and antiseptics.

Mission: Improve quality of human life globally through innovation and technology. Achieve excellence in research, innovation, manufacturing and marketing of products in the domains of disinfectants and antiseptics enabling consumers fight diseases across all levels at affordable costs with great efficacy.

Values: The core values, which multicure believes in and constantly strives to build are respect, pride passion, integrity, innovation and technology.

Managing Director's Desk

We sincerely thank to each of our customers for accepting us and making us a reputed antiseptic and disinfectant company from 40 years.

We strongly believe our philosophy of

' Live happy & let live happy''

We also follow our principle of "taking quick decision". Which is most important in our industry.

We wish all the success & prosperity in years to come. Let us stay together.

I am delighted to be part of new era when the Indian economy has got fresh opportunity to showcase its true potential & friendly economic policies carry due promise to change the fortunes of Indian industry & trades.

We are the fast growing Indian pharmaceutical company engaged in developing, manufacturing, and marketing a broad range of pharmaceutical formulation products.

Our core strength lies in manufacturing pharmaceutical products in house & which we commercialize through our strong marketing network in front line across geographies through our super stockiest and stockiest as well trade.

We established our presence in antiseptic and disinfectant segment.

We attribute our success to continued patronage of our valued customers & business associates who stood by us.

We are sure our work practice, culture of quality, excellence is everything. We do will lead to a new height and ultimately will pave us to new growth trajectory and horizon of success.

God bless.

yours truly,

Team Multicure
